

CICLOS

Sparkling Torrontes Semi-Seco

ORIGIN:

Calchaquí Valley, Argentina.

STORYLINE:

Ciclos is the maximum expression of the Calchaqui Valley Continental Desert Climate. This line synthesizes the spirit and magic of a unique terroir mixing cold mornings and nights with warm and sunny days that impact colour, aroma and flavor concentration.

TERROIR:

Deep, poor, rocky soils. Irrigation from the Andes. Wide thermal amplitude with big differences (approximately 22° C between the minimum during the cold mornings and nights, and the maximum during sunny days). Cold mornings and nights, and long hot days result in wines that are highly concentrated in color, aromas and flavors with a unique fruity character.
